### Louisiana Legislative Women's Caucus Launches Redesigned Website

**Baton Rouge, Louisiana** – The Louisiana Legislative Women's Caucus is pleased to announce the launch of its totally redesigned website at [llwc.louisiana.gov](http://llwc.louisiana.gov).

The new site boasts a bolder, more streamlined look, featuring a resource center, legislative directory and Women's Caucus district news and events. Constituents can find information on how to request assistance from the Women's Caucus or request a speaker from the newly formed Women's Caucus Speakers Bureau. The Resource Center provides links to information that address issues close to the heart of Louisiana homes, such as domestic violence, childcare, education, economic development, career and personal financial development and much more.

"We are excited and enthusiastic to introduce our streamlined, redesigned Website. It is informative, comprehensive and extremely useful to the great citizens of our state," commented Rep. Nita Rusich Hutter, chair of the Women's Caucus.

The site also provides information on scheduling group tours to the new State Capitol Building. Visitors to the site will also find featured links on the home page to the Louisiana Recovery Authority, the Road Home Program and the Louisiana Rebuilds site.

### About the Women's Caucus

The Louisiana Legislative Women's Caucus (LLWC) comprises the women in the Louisiana Legislature, whose collective mission is to: (1) prepare the next generation of women leaders and (2) serve as the premiere voice and leading monitor of issues, legislation and policies, which impact women. Since the election of the first woman to the Louisiana Legislature in 1936, women elected to the legislature have increased dramatically in number, strength and influence.
